January-April 2010

Over this past year, we have grown into our larger space. We can hardly believe we fit into that storefront next door. We thank you for all of your wonderful support. The economy may be struggling but we are keeping up our spirits by doing what we love---QUILTING!!

We loved having Penny Haren here and as we learned her pieced appliqué methods, a new block of the month emerged. In addition, Lois will be kitting McKenna Ryan's Lake Forest quilt that will begin in January, as will Kathy's Pretty in Pastels BOM. Watch for Lois' Table runner of the Month and Catherine's Chicken Buffet Block of the Month! In February, we will start a new Bible Block of the Month and host national teacher and fabric designer Linda Poole as well. Don't forget the OH-MI Shop Hop February 25-27th. It's our first year to be involved and we are excited.

You know that "DIET" is the watch word of January as we come off the holiday season. So, in addition to 'Stripping with Amy', we are implementing "Dieting the Sunflower Way!" We take out all the calories, earn your points and cash them in. Participating in classes, participating in various activities and blocks of the Month can earn you points which can be traded in at the end of April. Join our fun...make your own as well! (Details will be available at the shop.)

Winter appears to be at hand. Gather up your projects and get ready to be snowed in. Put some soup in the crock-pot and dinner will be ready while you sew, sew, sew!
Happy Quilting, Kathy and Cathy

Lazy Angle Block of the Month

Our new Red, White and Blue Block of the Month will use the book "Lazy and Loving It". You can cut your own template or use the Lazy Angle acrylic ruler. It starts January 1st and costs \$7 per month.

Pretty in Pastels

We will be starting a new Block of the Month in January. This is an easy project that uses Thangles or an Easy Angle to construct each block. To join this project you will need to purchase the pattern for \$15 and the first month's kit for \$4. You will also need either 2 packages of Thangles (2" and 3") or an Easy Angle for this project. We will provide the 1" Thangles used in the final block. Finish instructions are included in the pattern; the fabric for the sashing, borders, and binding are not included in the cost of the program. We will give you an incentive to finish your blocks each month—the next block will be \$4 if you bring back the current block finished. If you don't finish your block, you will pay \$7 for the kit. Just finish that kit and you again pay \$4 for the next month's kit. To sign up, you will need to pay for the pattern and the first kit. You may stop in to do this or you can do it by phone with a credit card.

"Have a Heart February"

Let's use the month to help our neighbors who have needs of all kinds.

Feed Your Neighbor

The holidays are over but the need for food at area food pantries is greater than ever. With so many people out of work, there are more area people than ever before who don't have enough to eat. Feed your neighbor is a non-denominational program that maintains emergency food banks at area churches and synagogues. People can get a 3 day supply of emergency food at these pantries. Any non-perishable items are accepted. Suggested items are soups, canned pasta, canned meats or tuna, peanut butter, pasta, crackers, cereal, and canned fruits and vegetables. No glass jars, please.

Project Linus "Make a Blanket Day"

We've had great participation in this popular project every year. On Project Linus' national Make a Blanket Day we'll see how many flip and stitch blankets we can make from kid-friendly cotton strips and polar fleece. All of the quilts go to Lucas County Children's Services for children when they enter foster care. We'll work from 10 to 3. Materials and a light lunch will be provided.

Saturday, February 20 10 a.m.3 p.m.

MENDED HEART PILLOWS

Just in time for Valentine's Day! Help us make heart pillows for the Mended Hearts organization that provides pillows for heart surgery patients to use for support after surgery. Mended Hearts will provide the materials and we will provide homemade soup, bread, and dessert for a light supper while we work.

Friday, February 12th 4-8 p.m.

The 1 Million Pillowcase Challenge

We're joining American Patchwork and Quilting's "1 Million Pillowcase Challenge." The goal is to make and deliver 1 million pillowcases to different charities across the country. We will know soon where ours will be donated. Let's take it one step further—many stores carry inexpensive pillows. How about putting a new, plastic-wrapped pillow inside your pillow case? Stop in and we'll give you a pattern for a pillow case to get you started!
